Northstar 8 extends well beyond the 8th floor of Northstar Center. Clients enjoy access to a wide range of boardrooms, social spaces and other meeting venues throughout the Building. Small meeting rooms can be rented by the hour or by the day, and feature enterprise-grade built-in AV and premium furniture. Catering can be extended to all meeting rooms and pre-function/social spaces can be bundled with meeting rooms to offer a robust attendee experience.

On the 7th floor of Northstar Center, the Northstar Golf Club provides a unique and engaging venue to complement a corporate party, wedding or other event. A 9-hole putting course, golf simulators and a bar create a dynamic environment that's fully reservable and staffed by our team of caddies and bartenders.

Several other well-appointed social spaces are available throughout Northstar Center to host business and social engagements. Our on-site team of hospitality professionals is always available to curate creative, immersive and impactful meetings and events to suit virtually any client objective.

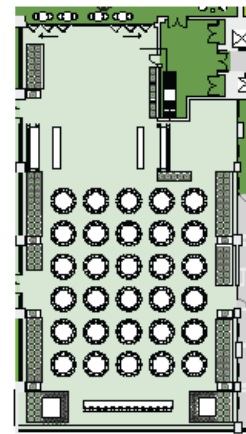

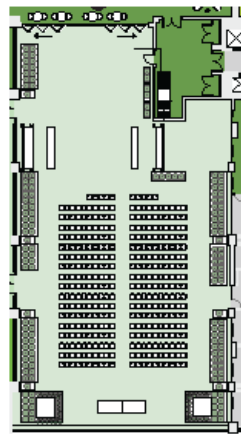

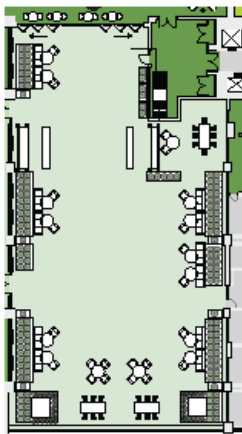

An Urban Oasis

The Skygarden is a 10,000 SF oasis in the downtown Minneapolis skyline that serves as an outdoor complement to the interior meeting rooms and hospitality spaces at Northstar 8. With a max event capacity of 350 people, the Skygarden enables large-format corporate and social events and provides a magical environment to host memorable experiences. Equipped with outdoor bars, lush landscaping, and elegantly connected via operable wall to the 2-story Rosewood Room, The Skygarden is a truly unique event venue.

Additional Special Features

975-Stalls of On-Site Parking

Generous, sheltered, newly renovated on-site parking is available for all meetings & events at the Northstar Ramp. Directly connected via the Skyway and via the Northstar Center West elevators, the Northstar Ramp provides convenient access to top-of-market parking counts and customer service.

Hotel Partners

Northstar 8 partners with several nearby high-quality hotels to fulfill sleeping room requirements for Northstar 8 clients. These partners include the Hotel Indigo Minneapolis Downtown, which recently opened within the Northstar Center complex and provides 218 newly renovated guestrooms and direct connection to meeting facilities.

Golf Facility

Enjoy on-site putting and simulator challenges to enhance team building activities, bridal parties, and other social events. Caddies are available from our on-site team to provide on-course food and beverage service, and our golf environment can be themed and customized to emphasize client and sponsor branding.

Private Green Room

Our on-site green room provides a private venue for wedding parties, keynote speakers and others to enjoy a purpose-built, secure VIP area featuring private bathroom, kitchenette and lounge. This facility can also serve as an event command center for meeting planners, and for staging event materials.

Exhibition Spaces

A variety of onsite exhibition-caliber spaces provide a dynamic complement to Northstar 8's meeting rooms for clients seeking exhibition components for their events. Bay-height onsite loading facilities enables large format exhibition displays and ease of staging.

Special Effects & Immersive Design

As an immersively themed project itself, Northstar 8 emphasizes immersive design and cutting edge multi-media features as a means of making meetings & events truly memorable. We offer spaces and services that enable clients to deploy special effects and immersively themed set design features to create event environments that leave a lasting impression.
