Don't hesitate and book the Sky Lounge now for your event! I took a chance and reserved it from out of state based only on the reviews and pictures, and they did not disappoint one bit! I held my retirement party at the Sky Lounge and Maggie was an absolute delight to work with. She put my mind at ease with all planning questions, and provided fantastic recommendations for a caterer and even a babysitter that could attend to help the parents relax, and they all positively crushed it! - Brian Love
